What is the Tate-Tutwiler Endowment Fund?

Over the years, Dr. & Mrs. Tate, Mr. Tutwiler and others have contributed to ESA's financial aid fund so that many students who could not otherwise afford an ESA education have been able to attend. In creating this scholarship fund, they hope to increase the number of families receiving assistance and to create a permanent means for that support to continue far into the future. With their initial gifts, they have established the scholarship fund. Now they are reaching out to ESA alumni and others to expand the endowment so that the interest earned each year will be used to fund scholarships, while the principal will remain in place and, as gifts are added, grow.

THE GOAL
\$2 MILLION

WHY EVERYONE SHOULD GIVE—NO MATTER THE AMOUNT

When ESA approaches foundations and donors, the first question they ask is

“what percentage of your faculty and alumni give?”

We're proud to say that faculty giving is nearly 100%.

Alumni giving falls in the 4% range.

We know you can do better. Give today!
