Come to the Kasbah for a Night in Morocco

See you tonight!!

PreK-4 students viewed rock samples in the geology lab at UL, where they stopped for lunch. They then took a tour of the swamp with a biology professor, and saw alligators and turtles. Thanks to mom Ashley Fife for arranging the trip!

Congratulations to the boys' and girls' tennis teams and the golf team—Regional Champs!

ESA students volunteered at Festival International to introduce the acts in both French and English.

The Upper School Beginning Drama classes have been working with third grade students in preparation for a production at the Lower School on Wednesday, May 5. Third grade students chose the stories Little Miss Helpful and Ted, and the drama students adapted them to the stage. Along the way, they have kept the third graders informed about their progress and the challenges they have faced. All Lower School students will attend Wednesday's performance.

Announcements

- Upper School Awards is Thursday, May 13, at 9:20am in the Chapel in Cade.
- May 19-May 26, 2010, the Cade campus will again have half days. May 26th is the last day buses will run. On May 19, Cade buses will leave campus at 12:05pm and drop off at the usual spots. As we get closer to exams we will publish a bus schedule for exam days. On May 19-26, one bus will pick up at the Lower School at 2:50pm and go to the Conoco Station at Hwy. 339 and Hwy. 92. From there the bus will go to the Cade campus. Students from that bus should be picked up in Cade at 3:25pm.

Thank you,  
Magic, Transportation and Maintenance Supervisor
