ESA's 30th Anniversary Celebration

Don't miss this chance to catch up with friends and current and former faculty members. Entertainment by GTO (featuring teacher Alex Melton!). Food, drinks and the chance to relive your glory days under the oaks. More information to come.

As this event approaches, we want to gather as much information on ESA alumni as possible. [Click here](#) to fill out our new online profile form. If you've updated with us recently, you don't have to resubmit your contact info, but please fill out the new sections. You can submit photos as well—recent ones of yourself and your family, something from your ESA days, or both!

September 25—The Class of 1984 will hold its 25th reunion, and invites other '80s alumni to join in. Contact [Jenny Malin Cole](#) for more information.
